

ReSorb

FORM

Stunningly simple and highly effective, ReSorb Form can be easily mounted to a wall or suspended from the ceiling to improve acoustics in any situation.

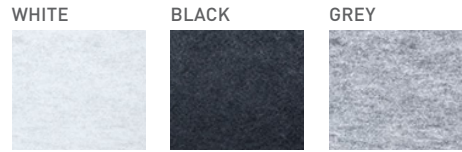

Available in circular, square and rectangular shapes with a choice of a core surface and fabric faced finish from the Hush or Blazer range.

With the additional option of a custom-printed face fabric, Form is simply a versatile acoustic solution. Ideal for reducing reverberation (echo) in areas such as offices, conference rooms, restaurants, canteens, halls and schools.

Available in four ECOSUND® core material colours: white, black, grey and brown Raw Edition. A smooth surface finish in the core material or surface-laminated in the Hush or Blazer textile fabric range with a visible core edge. Customisable printed surface finish available upon request.
