

ACOUSTICS
by design

An easy way to Impact your design scheme and your acoustic environment. Make a statement with ReSorb Framed Art using your own image or sourced and reduce reverberation (echo).

Easily wall mounted, ReSorb Framed Art is available in various sizes, framed or unframed. Suitable in any reverberant environment- offices, conference rooms, canteens, restaurants, halls, schools or domestic.

ReSorb Framed Art is easily wall mounted. Depending on size and location, mounting strips for close mounting or providing a 50mm air gap are available or pre-stamped key holes to hang with screws.

ReSorb Framed Art core material ECOSUND® is available in four colours: white, black, grey, bronze brown Raw Edition. Made from 50% recycled PET material- bottles and containers and 50% new PET fibres it is manufactured responsibly without glue or adhesives to provide an anti-allergenic material (Oeko-Tex® Standard 100 approved). Environmentally responsible ECOSUND® is 100% recyclable.
