

ACOUSTICS  
by design

Bring the beauty of nature inside with ReSorb Woodstock. Create a natural calming-aesthetic feature and reduce reflected noise. Manufactured in environmentally friendly ECOSUND®, Woodstock is a natural choice.

Each size and thickness are printed with its own age ring for natural variety and interest and easily mounted to the wall. Ideal in offices, conference rooms, breakout areas, canteens, restaurants, hotels, halls and schools to improve reverberation (echo).

With its velour backing, ReSorb Woodstock is easily positioned and mounted to the wall with Velcro. Manufactured in ECOSUND® core material, the edges are visible in four colours: white, black, grey and bronze brown Raw Edition and the surface is printed with tree rings according to size.
